

We're Updating Our Church Directory!

You are invited to be a part of our updated family church directory!

FAST • CONVENIENT • EASY

**Make plans to be a part of our updated Family Directory!
We need you to make our directory complete.**

There is no charge to participate. Simply sign up for a time slot on one of the forms provided in to have your family photographed.

Families who participate in this program will receive an updated full color photo directory free of charge. You will have the opportunity to order more photos for you and your family and friends.

You will only need to make one trip to the church (you will take your photo and then immediately after, you will be able to choose your pose for the directory). If you want to place an order, you may also do so at this time.

Save The Dates!
